

Remarks

Applicants thank Examiner Bhat for the careful examination of this application and the clear explanation of the rejections.

In response, Applicants attach a declaration under 37 CFR 1.131. The declaration antedates the Bechhoefer reference (U.S. 2004/0230383 A1).

Applicants respectfully submit that the application is in allowable form and respectfully request the reconsideration or further examination of this application.

Respectfully submitted,

Yingsheng Tung
